<i>ELLIOT STEPHENSON</i>	<i>ALEX WRIGHT</i>	<i>ANDREW OXBY</i>	<i>JAMES THOMPSON</i>	<i>LAUREN BATES</i>

Rules:

- 1) The teams, where possible, have been selected on a seeded basis from last year's LOG summer series results, eg. A top 'seed' from short, a middle 'seed' from long and a bottom 'seed' from technical, in order to balance the teams as much as is possible.
- 2) Team members can choose to run on any of the three courses available on each night and can change their choice from event to event.
- 3) The best 5 individual scores of each team member at the end of the series will count to your team's overall total.
- 4) There will be a transfer system in operation after 3 events, where team members who have not run in any event so far, and unlikely to do so for the remainder of the series, will be removed and a 'like-for-like' replacement will be brought in. These substitutes will carry with them their points tally from their races so far and this will be added to the team's total. Some teams may be merged together, where members of these teams have not been present so far, to form more competitive teams. Seedings will remain in place for these new teams to ensure balance is kept wherever possible.
- 5) The team with the highest overall points tally at the end of the season will be awarded the 2011 summer series trophy.
