

Lincoln Orienteering Group

Development Plan 2009/2010

Effective from 13 August 2009

1. To achieve Clubmark accreditation during 2009.

This to be achieved with full participation of existing members and their hands on involvement with the process.

2. To increase and retain junior participation and membership.

This to be achieved by suitable events and training for juniors alongside all such events organised by the club and advertised at every opportunity. Summer and winter events to include courses for juniors and beginners, and training sessions for beginners and juniors at winter series.

3. To expand the club's links with local schools and youth groups

This to be achieved by working with local authorities, school partnerships and individual schools and youth groups. Groups and schools will be encouraged to develop such partnerships with the club resulting to increased participation in club orienteering activities

4. To continue to provide high quality orienteering events

These events will provide courses for all levels and of experience and ages including courses specifically aimed at juniors, novices and beginners.
