

# EMUL – Woodhall Spa – 01/11/2020

## COVID Rules and Guidelines

Please check the British Orienteering and government guidelines regarding organised sport before the event. The latest news page with links all the relevant documentation can be found here:

<https://www.britishorienteering.org.uk/news/5357>

In particular, please note that anyone who has symptoms of COVID-19, who is living in a household with someone who has a possible or confirmed COVID-19 infection, or who has been asked to isolate by NHS Test and Trace should remain at home.

## Travel

The event is being held out of Jubilee Park Caravan and Camping Site. The full address for it is Stixwold Rd, Woodhall Spa LN10 6QH. The event will be signposted from the mini roundabout at the crossing of Tattershall Road and B1191 and from partway up Stixwold Road. If approaching from Lincoln, you will be coming in on the B1191 from the West and will need to turn left. If approaching from Sleaford, you will be approaching from the south on Tattershall Road and need to go straight over the roundabout. If approaching from Horncastle, you will be coming in on the B1191 from the east and need to turn right. After about 0.5km you will arrive at the entrance to the park. It's not advised to arrive from the North via Stixwold road as there have been some repairs and closures in the village to the north.

What 3 Words: calibrate.intend.bronzed

## Car Parking

Please follow the marshals who will guide you into the correct car parking area on the site. There is no charge for car parking. The car parking is on a level field with small amounts of hard standing. Please do not park on the streets around the park, or ignore marshals directions.

## Registration

The download/registration tent will be next to Café and Play Area. There is no requirement to visit registration before you start unless you need to make any changes such as SI card number. We would prefer that this was kept to a minimum and any changes that need to be made should be sent to [welfare@logonline.org.uk](mailto:welfare@logonline.org.uk) before the event if possible.

## Toilets

The toilet block is adjacent to the parking. Please use the hand sanitiser provided and wear face masks in the building. A marshal will be at the entrance to ensure social distancing is observed and queues do not form in the building.

## EOD/Start Times

There is no entry on the day. All starts have been pre-allocated using the given start-block preference when you entered. These are now available on SI Entries and on the LOG website.

## Start

There is a single start at the event located about 200-250m from the assembly area. Competitors will be required to cross over Stixwould road which travels at 40mph to get to the start, so juniors are advised to have supervision. It is a punching start. Call ups will be at -3 minutes, with loose descriptions available -2 minutes. All descriptions are pictorial and will also be on the map.

## Finish

The finish will be within 50m of the download tent.

## Map

The map is 1:5000 printed on waterproof A3 paper. It has a limited legend to denote uncrossable features and OOB areas. Please pay particular attention to olive green, purple hashing and thick lines to denote uncrossable features. As the area has been used before, there will be a blank map at the assembly area, but please respect social distancing when referring to it.

## Controls

This is an SI electronic punching event, with all controls (except start and finish) in SIAC-enabled mode. Expect to find the SI boxes within wooden boxes, attached via gripples, to the control feature, along with the standard kite.

## Safety

Competitors take part at their own risk and are responsible for their own safety. Please note that there will be no key drop facility at registration. All courses cross roads, but most of them are very quiet estate roads. The 2 major roads in the village are crossed by all courses, with the junior course 6 having a timed out crossing point to use in order to cross. Please always take care when you do decide to cross any main roads and give way to cars and cyclists. Please be courteous to pedestrians encountered and take care also turning blind corners, particularly around buildings, in narrow alleys and going up and coming down steps. Please slow down and run wide on corners. If it is wet, some of the surfaces can be slippery. The terrain will be a mixture of tarmac, and open parkland. First Aid available at Enquiries. The closest Accident and Emergency is Lincoln County Hospital located at

Greetwell Road, Lincoln, Lincolnshire, LN2 5QY. Directions can be found using the following Google Maps link and will also be on display at assembly.

<https://www.google.co.uk/maps/dir/Jubilee+Park,+Stixwould+Road,+Woodhall+Spa/Lincoln+County+Hospital,+Greetwell+Rd,+Lincoln+LN2+5QY/@53.1793024,-0.4438797,12z/data=!3m1!4b1!4m14!4m13!1m5!1m1!1s0x48786e1675e6d161:0xc4468960cef1f330!2m2!1d-0.2215658!2d53.1557403!1m5!1m1!1s0x48785b43c44fcb05:0x5b046e931c5dfe81!2m2!1d-0.519479!2d53.2335711!3e0>

## Courses

Course lengths, climb and no. of controls are shown below. Please note that Courses 1 and 2 are printed on a double-sided maps and will require a flip halfway through the course.

1 (Men's Open): 8.1km, 15m, 24 controls

2 (Women's Open/Men's Veteran 40+): 7.0km, 15m, 23 controls

3 (Women's Veteran 40+/Men's Super Veteran 55+): 5.5km, 10m, 19 controls

4 (Women's Super Veteran 55+/Men's Ultra Veteran 65+): 4.2km, 5m, 17 controls

5 (Women's Ultra Veteran 65+/Men's & Women's Hyper Veteran 75+): 3.3km, 5m, 14 controls

6 (Junior M/W 16-): 4.1km, 5m, 18 controls

## Results

There will be no results available at download, although splits will be provided. There will be live results posted on the LOG website and can be accessed using any smart device. There will be a QR code on the splits print that will take you straight there. Final results will be posted to the LOG, EMUL and BOF websites as soon as possible with Routegadget to plot and compare routes.

## Officials

Organiser: Amanda Roberts ([amandaroberts1962@googlemail.com](mailto:amandaroberts1962@googlemail.com))

Planner: Craig Lucas (LOG)

Controller: Peter Harris (HALO)
